

POLYGRAM

Aesthetic Meets Function

A balance of lightness and comfort

With the ambition to create an office chair that fits into every office space, Polygram is designed for practicality, versatility and aesthetic. Its overall design and frame structure adopted squarelike geometric profile, creating a highly stable anatomy to support you for long hours in comfort. High quality fittings coupled with interlocking structure has greatly enhanced its safety and enriched the overall aesthetic of the chair, making it a great statement piece in any offices.
