V-STRUT

Stability in Strength

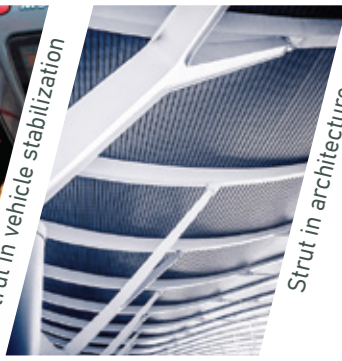

Elegance in Support: V-Strut's Table Stabilizer Chronicle

V-Strut - where strength meets elegance in table stabilization. Drawing inspiration from automotive struts, our table leg concept features a sleek "V" profile, marrying stability with a modern aesthetic. Crafted from Aluminium Die-cast, the chamfered groove adds a touch of masculinity.

In the world of workspaces, V-Strut serves as a structural framework, embodying the tagline "Strength in design, elegance in workspace". It's more than a table leg; it's a statement. The open plan system allows seamless integration with accessories like screen panels and cabinets, promising a workspace that's not just robust but effortlessly refined. Choose V-Strut - redefine your workspace, where strength and elegance converge.
